

PRESS RELEASE
Lissone, 19th April 2012

RENEWED HOSTING AND MAINTENANCE AGREEMENT WITH TIMB FOR 12 YEARS

- **Hosting and Maintenance Agreement with one of the main Italian broadcasters**
- **Duration: 12 years**
- **Amount due 2012: about €4,3 mln**
- **Revenues 2013-2023 adjusted for inflation (according to Istat rates): cumulated potential revenues of more than €55 mln (net of the power management service)**
- **The Agreement is included in the targets of the Business Plan 2012-2016 previously communicated to the market**

Lissone, 19th April 2012 – EI Towers SpA and Telecom Italia Media Broadcasting Srl have renewed for twelve years the equipment Hosting and Maintenance Agreement for the signal transmission based on DVB-T technology.

- EI Towers and its subsidiary Towertel shall grant TIMB the use of its entirely owned and/or managed stations in order to host the equipment owned by TIMB and by other companies of its group, or other third parties to which TIMB provides a full service management service.
- The Agreement shall have a term of 12 years and shall be effective from 1st January 2012.
- For the first year EI Towers shall book revenues for about €4,3 mln from TIMB, in line with the amount previously paid by TIMB to DMT; for the next years the amount due by TIMB shall be 100% adjusted according to Istat rates.
- The Agreement shall generate a total turnover of more than €55 mln, net of the power management services, over a period of 12 years.
